

Dear City Council

Though I live in Manoa, I have paddled with Hui Nalu Canoe Club in Maunalua Bay since 1984 when I lived in Niu Valley for (too) a short time. I consider Maunalua Bay my adopted neighborhood and OPPOSE the amendment proposed by Councilman Ozawa to eliminate funding for the preservation of Kanewai Springs based on the objection of just 7 property owners.

Kanewai Springs deserves funding for the purchase and protection to keep it as a Heritage site for all of Hawaii.

Thank you,  
Ellen Komatsu
